2. A site plan obtained from the Executive Engineer, Buildings Division, showing the position of the sites wherein the buildings are intended to be put up is enclosed.

The estimates received from the Muzrai Commissioner are scrutinised respectively for Rs.2,900/- and Rs.3,025/- for the two types and are being returned to him. The rules governing the levy of Establishment, Tools and Plant charges and waiving of it under certain conditions are with respect to Muzrai Institutions. It is not clear if this is a Muzrai Institution at all. If the suggestion is accepted to entrust the work to Mr. S. Venkatappa, who is a well established Contractor of large buildings in Bangalore, it should suffice if the advice of the Public Works Department

is rendered. Such advice may be rendered free by the Executive Engineer, Buildings Division. If, however, the work has to be executed through the agency of the P. W. Department only as proposed by the Muzrai Commissioner, levy of establishment and Tools & Plant charges will be necessary. The estimate will then amount to Rs.3,205/- and Rs.3,342/- respectively. As the work is proposed to be executed out of charity funds only and the Institution is said to have no other resource, the levy may, however, be waived as a special case.

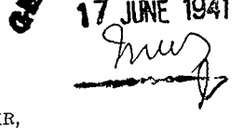
Secretary to Government of His Highness
the Maharaja of Mysore,
.....General.....*Department,*



SIR,

Construction of small quarters in the compound of Hazaratn Syed Hameed Sha Darga, Cubbonpet, Bangalore City.

Adverting to G.O. No.1000-3/Muz.46-40-4 dated 12th November 1940 sanctioning a loan of Rs.5000/- to the Hazaratn Syed Hamid Sha Darga in Cubbon Pet, for construction of some small houses to improve the resources of the Institution, I have the honour to forward herewith a copy of letter No.C3.3520/-39-40 dated 27th May 1941 received from the Deputy Commissioner, Bangalore District, on the above subject, and to state that it has been proposed to construct two houses in the compound of the above Darga with the available sum of Rs.5000/- in accordance with an estimate for Rs.2925/-

Rs.2925/- prepared by the Executive Engineer, Buildings Division, Bangalore, for each house.

c) The work has been proposed to be executed through the Revenue Agency. But, I think that it is better if the work is entrusted to the P.W.D. itself, as some of the items of works are of a technical nature. Establishments, tools and plant charges will have to be also provided for, if the work is entrusted to this Department.

d) But, as sufficient funds are not available for meeting these charges, I request that sanction of Government may kindly be obtained for these charges being waived as a special case.

e) The estimate for the work has been forwarded to the Chief Engineer for scrutiny.

I have the honour to be,

Sir,

Your most obedient servant,

Agricultural Commissioner.

Letter No. C3.3520/39-40 dated 27th May 1941 from the Deputy Commissioner, Bangalore District, to the Mysore Commissioner in Mysore, Bangalore.

Construction of small quarters in the compound of Hazarath Syed Hamid Shah Dargah, Cubbonpet, Bangalore City.

In continuation of this Office letter of even number dated 11-5-41 in the matter of sanctioning the grant of Rs.5,000/- out of the funds left by late Mrs. Sultanumma for the benefit of certain Benevolent and Charitable Institutions, I have the honour to state that the Sub-Division Officer, Bangalore, who was requested to call for tenders to complete the construction of two houses within the allotment of Rs.5,000/- now available has submitted a report recommending that the work may be entrusted to Mr. S.Venkatappa as the other Contractors expressed their unwillingness to take up this work since the prices of the building materials have gone up very heavy.

In agreeing with him, I recommend that the work may be entrusted to Mr. S.Venkatappa.

The plan and estimate etc., received with the Bangalore Sub-Division Officer's

[illegible] No. L-1320/40-41 dated 25-5-41 are sent herewith [illegible].
